Sub: Offer of Admission to the Web-Enabled M.Tech in Artificial Intelligence.

Dear Shinde Gaurav Chandrashekhar,

Greetings from IIT Madras!

We are pleased to inform you that you have been selected for admission to the Web-Enabled M.Tech in Artificial Intelligence.

We congratulate you on this and invite you to complete the admission formalities. This letter is valid for admission in the years 2026 & 2027.

Please note that employer support through an MoU or a Letter of Support for executing the project is required before the commencement of the M. Tech project. An intermediate exit with a PG Diploma is also available on completion of the diploma program requirements.

Wishing you all the best !

Prof. Sridharakumar Narasimhan
Coordinator,
Web-enabled PG Programs in Artificial Intelligence,
IIT Madras

Prof. Andrew Thangaraj
Chair
